WHO WE ARE

TorneiGiovanili.com is a brand created by 2R Group, our agency that has been a leader in the tourism and events sector for over 20 years.

WHAT WE DO

TorneiGiovanili.com is a circuit of youth sport events (organised directly or selected by us) that allows clubs, athletes and families from all Italian regions and many European countries to travel to some of the most beautiful tourist and entertainment destinations.

UNIQUENESS

The only Italian organisation in this sector that directly organises international football tournaments abroad, as well as being one of the major players in the domestic market. This is also a guarantee of quality for Italian clubs, which can travel to Europe confident that they will receive the same attention they receive in Italy.

WHY TO CHOOSE US

- Opportunity for a young athlete to participate in a unique and unforgettable experience.
- The encounter between different cultures conveys the fundamental values of sport: fair play, respect and accessibility.
- Participating in these experiences develops a strong team spirit and sense of belonging to the group.
- Fun and healthy competition help young people on their path to growth.
- TorneiGiovanili.com has been active for 20 years and has been the choice of many sports clubs, families and young people.

100% TORNEIGIOVANILI.COM

These are tournaments organised directly by us. We are responsible for the entire sporting event and oversee all organisational, logistical and technical aspects. You will recognise them in the catalogue by the presence of this symbol:
